

# Galaxy Layered Cake

## Ingredients:

1. 4 milk chocolate Galaxy bars
2. 2 dark chocolate Galaxy bars
3. 240g of Ülker biscuits

## Directions:

1. Crush biscuits until fine.
2. Place chocolate bars into microwave for intervals of 10 second to prevent burning the chocolate until completely melted.
3. Mix until homogenous.
4. In serving dish, add a thin layer of the crushed biscuits followed by a layer of chocolate.
5. Continue the process until chocolate and biscuits are finished.
6. Sprinkle with crushed biscuits to decorate.
7. Leave in the fridge to cool.
